20688 Fourth Street 140 Middlefield Road
Saratoga, CA 95070 Palo Alto, CA 94301

Occupational
Objectives

To continue to work in my private practice in which psychological treatment and evaluation are needed on a daily basis.

Experience
Highlights

April 1982-
Present

Private practice in Saratoga, California, which includes a range of psychological services. Since May 1984, Employee Assistance Counselor for Castle and Cooke, Inc., performing a variety of services including evaluation, referral, and short-term counseling. Member of the Board of Directors of South Bay Community Counseling Center.

October 1976-
April 1982

Director of South Bay Community Counseling Center in San Jose, California. Duties included overall responsibility for the financial, personnel, management, and clinical functions of the organization. President of the Board of Directors in January 1979. Full-time member of the clinical staff.

November 1974-
October 1976

Psychological Assistant and Treasurer on the Board of Directors of South Bay Community Counseling Center. Experience included diagnostic testing and assessment for Adult Probation of Santa Clara County, individual and family counseling, supervision of interns and field workers, devising policies and procedures in the creation of a clinic.

September 1974-
January 1977

Field work and intern experience with the Guidance Clinic and Juvenile Probation of Santa Clara County. Primary responsibility was co-leader of a group of parents of battered children. Also saw some parents on an individual basis.

September 1974-
June 1976

Assistant lecturer for the Child and Family Counseling Service at San Jose State University. Primary responsibility was in supervision of graduate students who had conducted family or individual therapy sessions. Other responsibilities included screening interviews and teaching two classes the first year and one class the next year.
